# INTRODUCTION

**BPG International Sdn Bhd** previously known as **Best Putra Gloves (BPG)** was established in 2020.

Currently, the total number of employees stands at 184 **BPG International** is a manufacturer of medical latex surgical & examination gloves of the highest quality. The plant is equipped with automated state-of-the-art production facilities which enable the company to produce consistent world class quality gloves.

**BPG** is wholly owned by Bumiputera and has successfully sold its products overseas in the United Kingdom and Europe and will soon enter USA, Scandinavian's countries, Turkey, South Korea and China markets. In United Kingdom, **BPG International Sdn Bhd Gloves** marketed its products through its subsidiary Best Putra Gloves (UK) Ltd which has its own distribution and warehousing facilities in Forkhill Newry, Northern Ireland.

With the new market in hand, in early April 2020, **Meditech Gloves** started **BPG International** to embark in an expansion plan by installing more machines to increase its production capacity from about 260 million to almost 1.2 billion pieces gloves per annum.

## CORPORATE DETAILS

“

Make the most of yourself by fanning the tiny,  
inner sparks of possibility into flames of achievement.

There's nothing wrong with staying small.

You can do big things with a small team.

Nothing works better than just improving your product.

Get big quietly, so you don't tip off potential competitors.

”
